BoXPack Zambia Limited

Established in 2009, BoXPack Zambia Limited is one of the leading manufacturers of interlocking trays, available in various sizes. Our production capacity is 800 tons per month, and we operate in a 4,200 sq. meter facility equipped with all-new, high-capacity machinery.

We believe in achieving the highest standards of development and perfection. We have a state-of-the-art manufacturing setup that meets all customer requirements in the regional market. Our monthly turnover is 350 tons, which is 45% of our production capacity. Our space capacity is 450 tons.

Our Team

The company has engaged a team of qualified, sincere, and hardworking staff members. Our personnel are assigned to various units according to their qualifications and experience. They work in close coordination with other unit teams to produce high-quality corrugated boxes and boards.

Industries We Serve

Packaging is essential for everything in daily life. Without proper packaging, any consumable item or product can be damaged due to moisture, weather, and other factors.

Keeping this in mind, we manufacture quality corrugated products for use across various industries, by individuals, and more.

Moreover, our marketing and sales teams regularly visit different markets to study the latest trends in the industry, ensuring we understand and offer the best products to our customers.

Our corrugated products are widely used in the following sectors:

- Manufacturing of corrugated boxes and boards
- Printed and plain packaging solutions
